Dear Parents,

What an incredible week of sport and music. It was fabulous to showcase the progress our children have made in swimming this week and we all really enjoyed cheering the children on in Sports Day. A shout out to Ringwood students who returned to help make Sports Day such a success, thank you!

Well done to all the budding pianists who performed to the school and parents in their annual concert, they were amazing and again showed real progress.

We are delighted to announce that former St Ives pupil, Jonny, has signed a professional contract with AFC Bournemouth. Jonny has been with the club since he was six years old, working his way through the Bournemouth academy with dedication and talent. Congratulations Jonny! We are in awe of your success and incredibly proud of your achievements. Best of luck in your professional career, we can't wait to see you on Match of the Day!

We are also delighted to announce that one of our ex pupils, Indy, has just recently been successful in being cast as the main character in the touring musical of Elf. This exciting tour covers the entire UK and some European venues and dates. We are immensely proud of Indy and wish him every success, we know he will be amazing! It is incredible how the St Ives Christmas pantomime can inspire our young people to reach for the stars! Congratulations Indy!!

### Reports

Please note your child will have come home today with their end of year report.

### Online Safety

The sharing of nudes, semi-nudes and other explicit material is a prominent issue in today's digital landscape: both their distribution and their misuse. In fact, the National Crime Agency has issued an alert to hundreds of thousands of education professionals after a study found that 26,718 cases of "sextortion" had been reported in 2023 - more than doubling from the year before.

It's vital for parents and educators to be aware of how they can safeguard children from exposure to, or involvement in, sharing intimate images – especially given that the sharing of such material featuring under-18s is a serious criminal offence. This week's guide offers expert insight into the risks of sharing intimate images online, as well as tips on implementing measures to shield children from encountering inappropriate digital content of a sexual nature.

**Swimming Pool**

As we come to the end of the swimming season we would like to say a massive thank you to SISA and their volunteers who have helped with the opening and running of the swimming pool this term. The pool is run by parents and without volunteers it would not be able to open.
